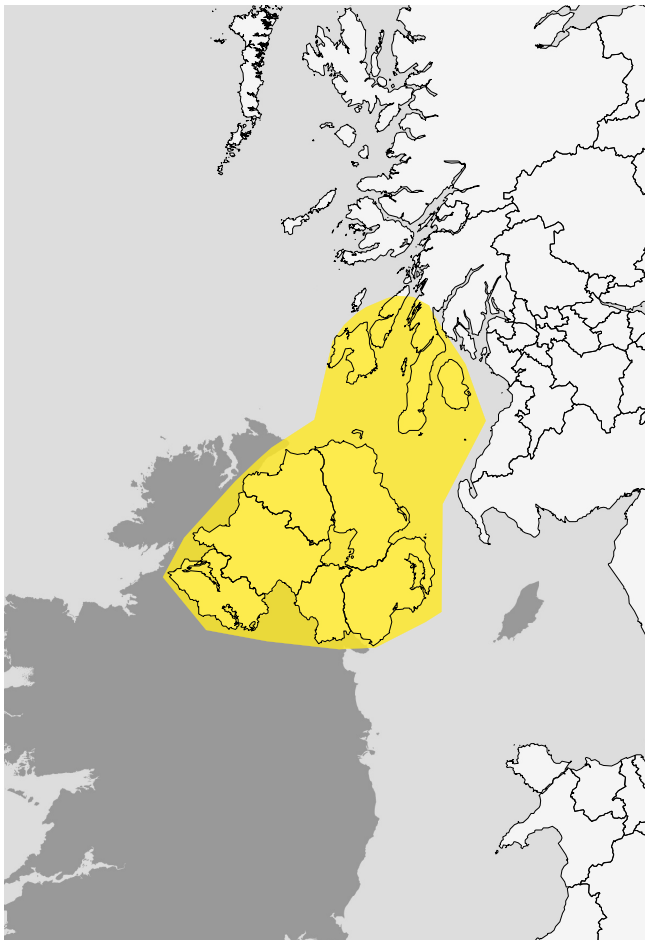
Yellow warning
Rain

Between
07:00 Wed 7 Nov 2018 and
15:00 Wed 7 Nov 2018



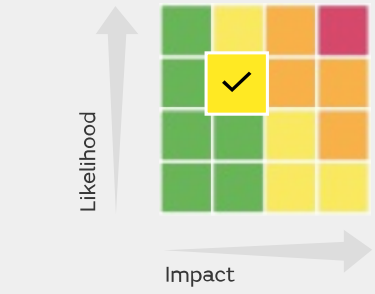
Heavy rain for parts of Northern Ireland and southwest Scotland on Wednesday

What to expect

- Spray and flooding on roads probably making journey times longer
- Bus and train services probably affected with journey times taking longer
- Flooding of a few homes and business is likely

Further details

Heavy and persistent rain is expected to affect parts of the warning area from early morning until the evening, possibly with a few hours respite during the middle of the day. Totals of 40 to 60 mm may affect some areas, including possible hourly totals of more than 10 mm. Combined with possible blocked drains due to autumn leaf fall, this brings a higher likelihood of impacts.



Medium likelihood of low impacts

Issued at 10:16 Tue 6 Nov, 2018 Updated at 10:40 Wed 7 Nov, 2018
